

Advisory:

February 3, 2021

Subject:

Notice issued by Alberta Municipal Affairs regarding the prohibited installation or use of non-certified gas fireplaces manufactured by Canadian Fire Hearth Mfg. Inc. and Luxor mfg. Inc.

Background:

Gas-fired appliances are required to undergo safety and performance testing in order to be certified to a nationally recognized standard by a body accredited by the Standards Council of Canada. Gas-fired appliances that are not certified may pose a hazard to the public when put into service or operation.

Advisory:

This notice provides information on the prohibited installation or use of non-certified gas fireplaces manufactured by Canadian Fire Hearth Mfg. Inc. and Luxor mfg. Inc.
