

INFRASTRUCTURE PLANNING POSEIDONONLINE GO LIVE DATE – MAY 30, 2016

The City of Calgary, Water Resources, Infrastructure Planning, is continuously improving to provide more processes electronically to increase efficiencies and provide better customer service to our industry stakeholders. We are pleased to announce e-submission to Water Resources via POSEIDONOnline will occur on **noon, May 30, 2016**.

In advance of the go live date, industry Applicants are encouraged to apply for a VISTA Log-In, as it is through VISTA that POSEIDONOnline can be accessed. In the very near future, an FAQ as well as additional information pertaining to the business requirements for submissions will be made available. At present time, information pertaining to POSEIDONOnline can be found on the following website:
